Time Magazine

Washington Post
Thurs., April 13, 2006

"We went to war with a flawed plan that didn't account for the hard work to build the peace after we took down the regime. We also served under a secretary of defense who didn't understand leadership, who was abusive, who was arrogant, who didn't build a strong team." –

Retired Army Major General Paul Eaton on Defense Secretary Donald Rumsfeld:

New York Times
Sun., March 19, 2006

"He has shown himself incompetent strategically, operationally and tactically, and is far more than anyone responsible for what has happened to our important mission in Iraq. ... Mr. Rumsfeld must step down."
