

President Bush on
September 2, 2005:
**“Brownie, you’re
doing a heck of a job.”**

Monday, February 27, 2006:

Brian Williams, NBC News: If I'm the president, sitting here with you right now, today, what do you say to me?

Brown: Mr. President, on at least a couple of occasions, and on numerous occasions to your staff, I raised the flag, and told you that FEMA was being marginalized, and was not going to be able to respond and, in fact, was on a path to failure. . . **I told you so.**
