Dear Colleague,

On Wednesday, April 30, 2014, please join us as we dedicate a memorial tree in honor of Anne Frank on the West Front Lawn of the U.S. Capitol. The Anne Frank Memorial Tree is an offspring of the horse chestnut tree that was featured in Anne's diary writings and grew outside of the Amsterdam building where she and her family hid from the Nazis during World War II. All Members of Congress, family members and congressional staff are invited and encouraged to attend.
