

Bipartisan Budget Agreement for Fiscal Years 2020 and 2021

1. The 2019 Bipartisan Budget Agreement for fiscal years 2020 and 2021 (“Agreement”) is agreed to by the bipartisan leadership of Congress and the administration of Donald J. Trump. The bipartisan Congressional leadership and the administration agree to cooperate in the Agreement’s implementation.
2. The Agreement modifies the discretionary spending caps imposed by the Budget Control Act (“BCA”) for fiscal years 2020 and 2021 pursuant to the table below. The spending cap adjustments are intended to reflect the elimination of the BCA sequester for two years, plus a slight increase in spending for both defense and non-defense programs.
3. The parties agree to partially offset the Agreement’s modifications to the discretionary spending caps legislation by extending the BCA mandatory sequester and customs user fees to achieve a total offset level of \$77.4 billion as scored by the Congressional Budget Office.
4. The debt limit will be suspended for two years, through July 31, 2021. No additional restrictions will be placed on the Secretary’s extraordinary measures authorities. The debt limit suspension, spending cap adjustments, offsets, and any necessary procedural matters, will be included as part of a single piece of legislation.
5. Appropriations bills: Specific spending decisions shall be left to the members of the Appropriations Committees, with 302(b)s set through the regular process of the committees. Congressional leaders and the administration agree that, relative to the FY 2019 regular appropriations Acts, there will be no poison pills, additional new riders, additional CHIMPS, or other changes in policy or conventions that allow for higher spending levels, or any non-appropriations measures unless agreed to on a bipartisan basis by the four leaders with the approval of the President. Current transfer funding levels and authorities shall be maintained, and any modifications must be agreed to on a bipartisan basis by the four leaders with the approval of the President. Any emergency spending levels must be agreed to on a bipartisan basis by the four leaders with the approval of the President.
6. The agreement also establishes a new cap adjustment for FY 2020 to help ensure the necessary resources for the decennial Census are provided.
7. Senate Leaders agree that if a bill has been reported on a bipartisan basis from the Senate Appropriations Committee and is consistent with the BCA spending caps, and has the support of the Chairman and the Ranking Member, they will work together to minimize procedural delays. The Majority Leader will continue to consult with the Democratic Leader to sequence bills in a bipartisan way, and acknowledges that bipartisan concurrence is required to expedite the consideration of any appropriations bill.
8. The President, Congressional leaders and the leadership of the Appropriations Committees shall work together to reach bicameral and bipartisan agreement on the orderly and timely

consideration of FY 2020 appropriations bills to avoid a government shutdown, and a 12-bill omnibus. The President, Congressional leaders and the leadership of the Appropriations Committees shall also work together to reach bicameral and bipartisan agreement on the orderly and timely consideration of FY 2021 appropriations bills to avoid a government shutdown, and a 12-bill omnibus.
