1                   tions that widen income and wealth in-  
2                   equality among individuals.

3                   “(iii) Long-term revenue lost due to  
4                   unfair policies in the Internal Revenue  
5                   Code of 1986, including those specified in  
6                   paragraphs (1) and (2), which contribute  
7                   to growing tax avoidance and evasion by  
8                   American businesses and individuals who  
9                   are increasingly more discouraged by cor-  
10                  porations and wealthy individuals not  
11                  being required to pay their fair share of  
12                  taxes.

13                  “(iv) ) Long-term revenue lost due to  
14                  unfair policies in the Internal Revenue  
15                  Code of 1986 which harm middle-class  
16                  workers and families and the long-term  
17                  revenue effect of a shrinking middle  
18                  class.”.
